DELIGHTFUL RECITAL

Wednesday Evening's Affair One of Marked Success and Briliancy

One of the most delightful and finished recitals given in the city for a long time was that on Wednesday evening at the home of Mr. and Mrs. William N. Stockton in West Third street.

The artists to take part were Mr. Carl Gantvoort, oratorical and opera singer, and at present one of the leading teachers in the Cincinnati College of Music; Miss Olive Robertson, an accomplished pianist and a pupil of Albino Gorno, and Miss Florence Pearce Wadsworth, Maysville's gifted vocalist.

The program was replete with charming numbers rendered with that ease and grace which only the true musician can assume.

The large audience was delighted, showing its appreciation by frequent and hearty applause.

The recital was a success in every particular, and highly gratifying to those taking part.

Last Saturday's Business

was a repetition of the previous Saturday. Were it not for the kind patience many of our customers exercised we could not have waited on all. There is a strong tie of confidence between this store and its patrons, one that can only exist as the result of years of acquaintance. Season after season we endeavor to do better than in the years before. Our efforts are appreciated. This week we show an entire new line of Wool Crash Suits, Panama Hats, and Tan Shoes to go with them. The weather is coming right for Negligee Shirts. We want to show you the greatest line ever brought here. The Faultless and Manhattan are the brands. We just must say a few words about our Men's and Boys' Shoes. We are awfully proud of our Shoes, and our customers are correspondingly proud of wearing them. We knew our community wanted good shoes and provided well for them.

Exquisite LACE CURTAIN Display!

Our stock was never so handsome as it is this season. Perhaps we used more discernment in our selection, it may be curtain designs are more beautiful this year, probably the new store, permitting a larger stock makes its display more attractive. Whatever the reason, the fact is undisputed that Maysville never had the curtain stock we're showing. Some of the novelties are the Marlborough Panels, the Renaissance with antique lace insertion, the rich Arabian and Brussels Point, together with Calais in two tone effect---a blending of white and ivory. Many of the designs are exclusive---cannot be found elsewhere.

If you are thinking of curtains, it will be wisdom on your part to see the most splendid display ever made in Maysville. All prices between 75c and \$12½ pair.

GRAND ARMY VETERANS

Resolution By Judge O. S. Deming For a Monument to Lee

At Wednesday's session of the Kentucky Department of the Grand Army of the Republic in twenty-second annual reunion at Frankfort, Judge O. S. Deming of Mt. Olivet intended to offer a resolution declaring it to be the sense of the Department that the Nation should erect at Washington a monument to the memory of General Robert E. Lee, and that the members of the G. A. R. in the National Reunion at Boston this year urge Congress to make appropriation for the purpose.

The resolution in full follows:
"Whereas, Nearly forty years of unexampled prosperity to our country have elapsed since the close of the Civil War.

"The people of the South have given convincing evidence of their good faith in laying down their arms, and have shown willful acquiescence in the result of that terrible conflict.

"They have proved their patriotism and their love for the Union, and have sealed their devotion to the American Flag with their blood in the Spanish-American War.

"Desiring to give the Confederate Veterans a soldier's earnest; be it

"Resolved, That it is the sense of the Grand Army of the Republic of the Department of Kentucky that a suitable monument be erected at public expense in the city of Washington to the memory of General Robert E. Lee, and that the members of the Grand Army of the Republic petition the Congress of the United States to make the necessary appropriation."

The newspapers having gotten hold of and printed the resolution in advance, the Encampment adjourned without taking any action on it.

The election of officers resulted—
Department Commander—William T. Baughman, Bellevue.

Senior Vice-Commander—Valentine Berberich, Frankfort.

Junior Vice-Commander—R. T. Pierce, Louisville.

Medical Director—Dr. A. N. Ellis, Jr., Heiser Post, Maysville.

Delegates to the National Reunion at Boston—J. B. Mathews and C. L. Jones, Louisville; H. Truman, Ohio county, and J. Sower, Frankfort.

The officers were installed by General John C. Black of Illinois, Commander-in-Chief of the G. A. R.

There is considerable feeling over the election, the Louisville white Veterans charging that the Negroes controlled the meeting.

Louisville was selected as the place of the next annual meeting of the State Department.

To be a successful wife, to retain the love and admiration of her husband should be a woman's constant study. Mrs. Brown and Mrs. Potts tell their stories for the benefit of all wives and mothers.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound will make every mother well, strong, healthy and happy. I dragged through nine years of miserable existence, worn out with pain and weariness. I then noticed a statement of a woman troubled as I was, and the wonderful results she had had from your Vegetable Compound, and decided to try what it would do for me, and used it for three months. At the end of that time I was a different woman, the neighbors remarked it, and my husband fell in love with me all over again. It seemed like a new existence. I had been suffering with inflammation and falling of the womb, but your medicine cured that and built up my entire system, till I was indeed like a new woman. Sincerely yours, Mrs. CHAS. F. BROWN, 21 Cedar Terrace, Hot Springs, Ark., Vice President Mothers' Club."

Suffering women should not fail to profit by Mrs. Brown's experiences; just as surely as she was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure other women who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration. Read the story of Mrs. Potts to all mothers:—

"DEAR MRS. PINKHAM:—During the early part of my married life I was very delicate in health. I had two miscarriages, and both my husband and I felt very badly as we were anxious to have children. A neighbor who had been using Lydia E. Pinkham's Vegetable Compound advised me to try it, and I decided to do so. I soon felt that my appetite was increasing, the headaches gradually decreased and finally disappeared, and my general health improved. I felt as if new blood coursed through my veins, the sluggish tired feeling disappeared, and I became strong and well."

"Within a year after I became the mother of a strong healthy child, the joy of our home. You certainly have a splendid remedy, and I wish every mother knew of it. Sincerely yours, Mrs. ANNA POTTS, 510 Park Ave., Hot Springs, Ark."

If you feel that there is anything at all unusual or puzzling about your case, or if you wish confidential advice of the most experienced, write to Mrs. Pinkham, and you will be advised free of charge. Lydia E. Pinkham's Vegetable Compound has cured and is curing thousands of women—curing them inexpensively and absolutely. When you go to your druggist, insist upon getting Pinkham's Vegetable Compound.

A GREAT RECORD
Hard To Duplicate It In Maysville.

Scores of representative citizens of Maysville are testifying on the following subject. Such a record of local indorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it.

Mrs. W. F. Woodward residing at West End near Pogue's distillery says:

"Pains in the back and other evidences of a disturbed condition of the kidneys were quickly and thoroughly cured by the use of Doan's Kidney Pills which I got at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. There is no reason why ladies should suffer from backache and kindred troubles when such a reliable and effective preparation can be had."

Thousands Have Kidney Trouble and Never Suspect it.
How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

ECZEMA ON LITTLE GIRL

Sleepless Nights for Mother and Awful Suffering of Child.

CURED BY CUTICURA

Had Given up All Hope of Ever Making Any Cure.

"My little girl has been suffering for two years or more from eczema, and during that time I could not get a night's sleep, as her ailment was very severe.

"I had tried so many remedies and spent much money, deriving no benefit, I had absolutely given up all hope of making any cure. But as a last resort I was persuaded to try a set of the Cuticura remedies, and to my great delight a marked change was manifested from the first application. I gave the child a bath with Cuticura Soap, using a soft piece of muslin cloth. This I did twice a day, each time following with the Cuticura Ointment, and at the same time gave the Resolvent, according to directions. One box of the Ointment and two bottles of the Resolvent, together with the Soap, effected a permanent cure. I submit this for publication if you desire, hoping it will add to your success and assist so many thousands of sufferers in curing themselves." Mrs. I. B. JONES, ADDINGTON, IND. T.

The first step in the treatment of the chronic forms is to remove the scales and crusts and soften the skin, by warm baths with Cuticura Soap. The scalp, ears, elbows, hands, ankles and feet will require frequently a thorough soaking in order to penetrate the thickened skin and crusts with which these parts are often covered. Dry carefully, and apply Cuticura Ointment, lightly at first, and where advisable spread it on pieces of soft cloth and bind in place. Take the Resolvent, pills, or liquid, in medium doses. Do not use cold water in bathing, and avoid cold, raw winds.

Sold throughout the world. Cuticura Resolvent, 50¢ (in form of Chocolate Coated Pills, 25¢ per vial of 50). Ointment, 50¢. Soap, 25¢. Depot: London, 27 Chancery Lane W.; Paris, 6 Rue de la Paix; Boston, 15 Cornhill Ave.; New York, 150 N. York St.; Chicago, 111 N. La Salle St.; San Francisco, 111 N. La Salle St.; Portland, 111 N. Lawyer C. L. Sallee and Colonel Sam M. Hall were registered at the Florentine Hotel, Huntington, W. Va., Wednesday night. They were accompanied by Mayor R. W. Nelson of Newport.
